## Aquatic Food Web

We are researching: \_\_\_\_\_

<b>Habitat: Where do they live?</b>	<b>What do they eat? OR How do they get their energy and nutrients?</b>	<b>Are they producers, consumers, or decomposers? (HINT: Do they fit into more than one of these groups?)</b>

## Illustrations

Show what these organisms look like by drawing them below. If you are researching plants, draw a picture that shows the different parts of the plant such as the leaves, roots, and flowers (if it has any).
