

**How would you describe the current condition of these parts of our Onondaga Lake watershed community?**

<b>Parts of our watershed community</b>	<b>Current condition</b>
<b>The people and their interactions with the watershed</b>	
<b>The land</b>	
<b>The land animals</b>	
<b>The plants and trees</b>	
<b>The water</b>	
<b>The fish and other aquatic life</b>	
<b>Other parts of our watershed community</b>
